Affinity Partnerships
Payment Solutions

Are you looking for benefits to offer your members/clients that will increase the value of their partnership with you and incentivize them to refer others for your solutions? Are you looking for ways to give back to your community, or sponsor local charities in missions that are meaningful to you or your business? Partnering with Elavon will allow you to do that!

Why Elavon?

Proven performance & dedicated in-market support
Elavon is a leading global payments provider for associations and partners ranging in member size from 100 to 20,000. We have a program that will fit your unique needs and organization growth goals, with dedicated in-market support.

Payment acceptance that meet the ever-evolving needs of our environment
Your members/clients will benefit from a full range of secure onsite, online, in-person and mobile payment options. Let us personalize a solution for your members/clients that allows them to accept payments any way and anywhere their customers' desire.

Earn revenue without liability
Elavon owns the processing and financial risk from underwriting to account establishment and continued account maintenance. Your organization enjoys the benefits of offering your members/clients a full range of secure payment processing solutions and increases revenue by receiving referral fee/revenue share.

We strive to provide the best customer service, products, and support in the payments industry.
